

# DERIVATIVES

Lesson 1: Definition of the Derivative

Lesson 2: Differentiation Rules

Lesson 3: Derivatives of Trig Functions

Lesson 4: The Chain Rule

Lesson 5: Particle and Linear Motion Problems

Lesson 6: Implicit Differentiation

Lesson 7: Derivatives of Inverse Functions

Lesson 8: Inverse Trig Functions

Lesson 9: Derivatives of Inverse Trig Functions

Lesson 10: Derivatives of Exponential and Logarithmic Functions

Lesson 11: Logarithmic Differentiation

**“Teachers are fighting back against kids who cut class.  
Today I was the victim of a drive-by math quiz!”**
